Would you like to be more involved in the running of the hall?

As a charity, the hall is run and managed by the Executive Committee, members of which are also the Trustees of the Hall.

The committee is agreed each year at the Annual General Meeting where 'members' vote for the person they feel is most likely to be able to represent their views and have a valuable contribution to make to decisions about the future of our Village Hall.

Claverham Village Hall does not have 'members' as such: we have a Register of people eligible to vote and sit on the committee.

If you wish to be registered to vote or are interested in becoming a committee member at the next Annual General Meeting, please complete the form below and place it in either the post box at the Hall or the special box in the bar, by the **27 March 2007**
